Forecast For East of England
Issued by Met Office Exeter
at 1600 on Sunday 19 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy rain in the east fading overnight. Dry in west.

This Evening and Tonight:
Outbreaks of showery rain, perhaps heavy at times, will persist across the east into the evening, before easing overnight. Staying cloudy across much of the region through to dawn. Minimum temperature 12 deg C (54 deg F).

Monday:
A generally dull morning on Monday, with some patchy rain. Drier by the afternoon, but mainly cloudy with limited brighter spells later in the day. Maximum temperature 21 deg C (70 deg F).

Outlook for Tuesday to Thursday:
Dry and bright Tuesday with plenty of sunny spells. Turning breezy overnight into Wednesday, with outbreaks of rain through the day. Breezy but mainly dry Thursday.
